

## Work begins on Idaho 44 in Middleton Tuesday evening (June 6)

### Work on Idaho 44 in Middleton includes:

- Removing the existing road base, which requires excavating approximately two feet
- Bringing in new road base materials
- Paving the new road surface

Later this summer, ITD will also add a westbound right-turn lane at Middleton Road and Hartley Lane.

### What to expect in Middleton:

- Idaho 44 will be reduced to one lane at night
- Flaggers will direct traffic each night through the work zone
- During the day, all lanes through Middleton will be open
- Motorists will drive on a gravel surface

The work in Middleton is expected to be complete in mid-July.

### City of Star Construction Update

Crews are working on paving the road in the City of Star. Over the next week, motorists can expect traffic patterns will be shifting between lanes for paving and striping.

Crews anticipate work in the City of Star will be complete by early next week.

The work in Middleton and Star is part of a larger project to resurface Idaho 44 from I-84 through the City of Star.
